Environmental Educator (3 Part-Time Positions Open)

Employer: Baltimore Woods Nature Center, Inc.

FLSA Status: Part-Time, Temporary, Non-Exempt

Hours: 15-20 per week

Wage: \$12 per hour

Baltimore Woods Nature Center is a premier educational organization located in Marcellus, NY that transforms individuals and communities by cultivating a personal connection to, and an abiding love for the natural world, while serving as a model of sensible stewardship of nature for generations to come. Our *Nature in the City* program is in its 16th year of providing hands-on/minds-on natural science lessons to K-6th grades in the Syracuse City School District and we are proud to partner with Onondaga County Save the Rain for third-grade programming focused on the Onondaga Lake Watershed.

Environmental Educators will provide place-based environmental education lessons to third grades in all 19 Syracuse City School District Elementary Schools through Baltimore Woods *Nature in the City* program. Training will be provided and can begin as early as March 30.

Job Description:

Environmental Educator's primary responsibilities include but are not limited to:

- Serving as an educator for Baltimore Woods Nature Center's award-winning *Nature in the City* program.
- Delivering programs to 3rd grade students at the Syracuse City School District from April – June 2018. Includes lessons in the classroom and at Elmwood Park in Syracuse.
- Using sound judgment when it comes to classroom management and engagement during programs
- Must have an understanding of natural science themes, nature-play and interpretation.

This position reports directly to Becky Wilson, Education Manager at Baltimore Woods Nature Center

Education and/or Experience:

- Bachelor's Degree in environmental interpretation, Biology or education field is preferred
- Experience teaching in an urban setting preferred
- Experience teaching in an elementary school setting preferred
