Nature in your hands

Interview with Nature

Directions: This activity will test your knowledge of nature and observation skills. Choose a plant, animal, or natural feature in your favorite ecosystem. Ask and answer the questions below that most apply to your interviewee. Make up your own questions too and have a lengthy conversation with your new friend!

1. How long have you lived here?
2. What is it like living in this ecosystem?
3. Where do you get your energy from?
4. How do you help others? How do others help you?
5. Is there anything special that you would like to share with me?
