Nature in your hands

Autumn: A Visual Feast of Images

*An exhibit to celebrate the season
by members of the Syracuse Camera Club
September 12 - October 30*

We hope that you have enjoyed our virtual display of beautiful autumn images.
Each of the images is available for purchase so that you may enjoy a favorite or two
in your own home or as a gift for someone else.

To ensure that the prints will be of excellent quality, they are made with archival inks and paper.

In addition, the archival mats are white, and have a stiff backing to help protect the print.

On the following pages is a list of all of the printed images available for sale until Friday, October 30, 2020.

Each photographer has indicated the size(s) available for each of their images.

(Note that this does not include the mat.)

Each photographer has determined their own individual pricing.

Please take note of the photograph number associated with the image you would like to purchase.

To make a purchase:

Contact Office Manager Sue Jones at Baltimore Woods at (315) 673-1350

to order prints and arrange for payment as the Interpretive Center is currently closed to the public

Sales tax and a delivery fee of \$10 will be added.

Once payment is received, the photographer will make arrangements for you to receive your print(s).

**A portion of the proceeds from the sale of printed images goes
to support Baltimore Woods Nature Center in its mission to connect people to nature.**
