Nature in your hands

Winter Trees Scavenger Hunt

Now that you have learned about winter trees, let's go outside and try to find some of the things we saw in the book! What other parts of a tree could help you identify what kind of tree you are looking at?

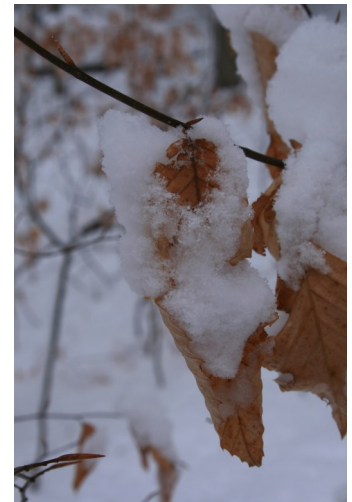

The egg shape of
the maple tree

The V formation
of the birch

Tan leaves on the
American Beech tree

A Hole for a
Woodpecker to live in

Needles or cones from
an Evergreen tree

Supplies to build a
snowman!
