CHERRY VARIETIES

Sungold (Johnny's) -Customer favorite, very prolific sweet, orange cherry

Supersweet 100's (Mountain Valley Seed)- prolific red cherry.

Juliet (Johnny's) - *1999 AAS Winner*. Prolific, elongated, grape-like red tomatoes; crack resistant; stores well

Purple Bumble Bee (Johnny's) - *organic*, artisan cherry tomato; purple-striped with green; very prolific; customer favorite

Sunrise Bumble Bee (Baker Creek) - *organic*, artisan oblong cherry; swirls of red and orange

Cherry Ember (Fruition) - **NEW** *organic*, gorgeous bronze-striped red cherry developed by Cornell; crack resistant

Egg Yolk - (saved seed) sweet, prolific, bright yellow cherry; low acid

Apple Yellow (Johnny's) - Adorable, bright yellow tomato with incredible split tolerance, yields, and shelf-life; AAS winner; disease resistant

SAUCE/PASTE TOMATOES

San Marzano (High Mowing) - *organic, heirloom*; considered the best sauce tomato

SuperSauce (Burpee) hybrid; enormous, Roma paste variety; weighing in at 2 lb., a whopping 5.5" tall x 5" wide

Cuore Di Bue (Territorial)- *heirloom*, large, ox-heart tomato, great for sauce

Amish Paste (Johnny's) - *organic, heirloom*; classic paste tomato; sweeter taste than other paste tomatoes

Rutgers (Hudson Valley Seed)- *organic, heirloom*; the famous Campbell's Soup variety. Good for slicing, sauce or canning

Blue Beech (Johnny's) - *organic, heirloom*, sausage-type, 8-10 oz paste tomato; well adapted to northern climate and resists blossom end rot

HEIRLOOM SLICERS and OPEN-POLLINATED VARIETIES (suitable for seed saving)

Pink Berkeley Tie-Dye (Johnny's) - *organic*, large beefsteak fruits are the color of port wine with metallic green stripes and weigh 8 to 12 oz. Its excellent sweet flavor was put to the test against Cherokee Purple and was preferred every time. Customer favorite!

Brandywine (High Mowing) - *organic*, "very rich, loud, and distinctively spicy," the large fruits, often over 1 lb., have a deep-pink skin and smooth, red flesh.

Dad's Sunset (Southern Exposure Seed Exchange/Baker's Creek) - *organic*, large orange slicer; 10 oz; disease resistant; produces into fall. One of my favorites!

Cherokee Carbon (High Mowing) -*organic*; dusky purple 10-12 oz beefsteak tomato developed from a cross between Cherokee Purple and Carbon

Paul Robeson (Baker Creek/Hudson Valley)- *organic*; at the top of the heirloom list of favorites; named for Paul Robeson, this plant will yield perfect 3" - 4" fruit 65 days from planting; dark red with green streaks

Green Zebra (High Mowing) - *organic*; reliable and delicious heirloom, produces 2 " round fruits which are ripe when green with yellow stripes, (*limited supply*)

Lillian's Yellow Heirloom (Tomato Growers) - *organic*, sweet, clear-yellow, globe-shaped fruits of the beefsteak-type, weighing up to 16 oz.

Ananas Noir or Black Pineapple (Baker Creek) - *New; organic*; The multi-colored, smooth fruit (green, yellow and purple mix) weighs about 1½ lbs. The flesh is bright green with deep red streaks.

SALAD AND SLICING

Early Girl (Mountain Valley) - Meaty, ripe red fruits; 4 to 5 oz; ready in 60 days; indeterminate

Beefmaster (Mountain Valley)- large, meaty red tomatoes that weigh over 1 lb. each.

Chef's Choice Red (Totally Tomatoes) - *2018 AAS Winner* 9 to 10 oz. bright red beefsteak

Chef's Choice Black (Mountain Valley) - *2019 AAS Winner*, 8-10 oz beefsteak with dark green, brown and black hues; good disease and crack resistance.

Martha Washington (Johnny's) - *organic*, heirloom-quality pink slicer with a more reliable plant; 8-12 oz globe-shaped fruit

Beefsteak (D.M. Ferry) - large, 2 lb. red tomato with heirloom flavor

CONTAINER or SMALL SPACE VARIETIES

Tiny Tim (Hudson Valley) - Dwarf tomato plant; produces 1" cherry tomatoes; excel in sunny window boxes, picnic table centerpieces, and pots on city stoops.

Galahad - (Johnny's) - *AAS 2020 winner. organic.* Early disease-resistant; highly- productive, determinate beefsteak

Celebrity (Johnny's) - *AAS 1984 winner.* medium sized, globe-shaped fruits are crack-resistant, disease resistant and average 7 oz.; semi-determinate plant grows 3 to 4 feet

Orange Hat (Baker Creek)- extra-dwarf bush plants grow just 6-9 inches tall and produce lots of tiny orange tomatoes; perfect for the patio

Dwarf Emerald Giant (Southern Exposure Seed Exchange)- developed by Craig LeHoullier (Epic Tomatoes); tasty, bright green fruits, 6-16 oz; some fruits have a pink blushing on the bottom when ripe on 2-4 ft. plants
