

Baltimore Woods Nature Center Summer Camp Scholarship Application 2026

The Baltimore Woods Nature Center Scholarship Fund has been created to help families who would otherwise not be able to attend Nature Day Camp. The scholarship fund is made possible by contributions from individuals, alumni, sponsors and others who feel that no child should be denied the opportunity to attend one of our camps.

Eligibility Requirements:

1. Applicants must live in Onondaga or Cayuga County.
2. Scholarships are granted based on financial need or extenuating circumstances.
3. Scholarships are intended for those who would not be able to attend one week of camp without assistance. If a child is already enrolled in a week of camp for the summer season, applications cannot be considered to attend an additional week.

Application Requirements:

1. Complete the entire application.
2. Provide proof of income that pertains to all members of the household. Documentation can include most recent pay stubs, most recent Federal Income Tax Return or W-2, unemployment statement, disability or SSI Statement, and/or workers comp benefit statement.
3. Include a brief statement sharing any extenuating circumstances the committee should consider with your application either in the body of the email or as an attachment to the application.
