Nature in your hands

Summer Nature Day Camp Counselor Positions Open

We are currently seeking experienced and engaging individuals to join our team of dedicated camp counselors who are the core of our summer nature day camp programming.

For 43 years, our summer nature day camp program has helped children connect to the natural world in real and meaningful ways. Campers spend as much time as possible outside, in the woods and on the trails learning about nature by experiencing it firsthand, at their own pace. Weeklong day camp adventures promote discovery, physical fitness, problem-solving skills, social interaction, and awareness through direct contact with the natural world.

Primary Job Responsibilities

- Lead hikes and nature-related programming for the children in your camp group and participate in daily camp activities with the campers.
- Help create a summer camp that is educational and safe, ensuring a friendly and secure experience for all children attending the Baltimore Woods Nature Center Summer Nature Day Camp program.
- Be on-site each day of week-long camps, Monday - Friday, 8:30am-3:30pm.
- Coordinate and oversee daily camp activities with your camp volunteer, adhering to all health and safety procedures as outlined in the camp manual.
- Other duties as requested.

Qualifications

- At least 18 years old with a minimum of 2 or 3 seasons of experience in a camp or school setting with proven experience working with children.
- Current teaching certificate preferred.
- Excellent interpersonal, communication, and child management skills.
- Understanding of natural science themes, nature-play, and interpretation.
- Have reliable transportation.
- Current First Aid Responding to Emergencies (or equivalent) certification and CPR for the Professional Rescuer (with AED) certification. Training is provided, if needed.
- Ability to work 2-8 weeks during the summer (July and/or August) and attend staff training the week of June 29th-July 2nd.
